## How does it work?

We follow the service structure to bring ideas forward, from groups to AA as a whole, thru district, Area, the AA General Service Conference, to AA World Services.

See diagram 2

## Real-Life Story: (Service in Action)

An AA member in northern MN was unable to read and asked his group about a Big Book on tape. The Group Service Rep (GSR) brought this idea to District, who brought it to Area, who brought it to the General Service Conference. They approved it, and now AA World Services produces and distributes the Big Book on tape – available to millions! All because an idea was forwarded thru the AA service structure!
