Hotline: Bill D. This last month we received 3 calls. Pretty much the same as last month. All three were for meeting information. Gave them what I knew and told them about the Meeting Guide App and how to use it in the future. Let's continue to place our pin-ups up as many physical meetings are going again. Again, please see if the meeting list is current for your groups

Corrections: Jessa Got a hold of the JDC and have been in contact with a director until they have a program director in place. They are going to look into being able to have meetings in their building again or zoom accommodations. I now have her email and phone number to contact.

I have also called Becker County and got a call back with contact information for an interim program director. I have to call her back to see where becker county is at with meetings either on zoom or in person meetings. side note: I cannot find the form to send to jails for them to have inmates fill out for pen pals, if anyone has any information and can help, that would be great.
