Treatment: Patti Since Covid vaccinations have reached a level that allows us to finally allow us to start to take meetings into facilities I can report that Perham Solutions Group will be taking a meeting into Lakes Counseling once a month starting on May 18th. Lakes Counseling is open to having another AA group bring in an additional meeting on a Monday or Wednesday. Please ask your group members if they would be interested in having a commitment at Lakes or other treatment facilities in District 3 and I will help set that up.

Hotline: Bill D. This last month we received 2 calls. Both were for meeting information. Gave them what I knew and told them about the Meeting Guide App and how to use it in the future. Let's continue to place our pin-ups up as more physical meetings are opening up. Again, please see if the meeting list is current for your groups. As we previously talked about I will host the Zoom meeting as an alternative, but in addition to, being at the DL Alano building this month. This will most likely be the last Zoom meeting for the district at this time as the guidelines from the CDC just changed. ZOOM meeting ID: 843 0042 1252 - Password: District3

Corrections: Jessa I emailed the interim Program Director on April 18th and haven't heard back from her yet so I will try calling her if I don't hear back by May 18th. I have an email from Bill with a Program Director's name and that that person has been out with covid and there is a covid outbreak again and the Becker County Jail. Also, the email said that anyone who was a volunteer will have to go through the certification process again.
