DCM Gene Absent DCM report 4/18/21. Participated in previous district meeting with other districts and area delegate. Contacted area chair 6 days before assembly no response also talked to another area contact. I had asked for meeting IDs, Pwd's still didn't receive. Got them late morning from District 13 DCM then attempted to join at 12:45. ID, pwd didn't work messaged again then found out late afternoon about 4:20 the ID, Pwd received was for a.m. then received afternoon ID, pwd from Diane then forwarded that via text to four GSR's as well. Sent report into area secretary last Sunday. Found out from an area contact that Tom was portraying himself as District 3 DCM and reported for our district. I had contact with secretary, delegate and webmaster to take email forwarder down from Tom's email link it to my email. Which hadn't been done yet. It was done on 4/12/21.
