**Alternate DCM:** Gene M, Current meeting continues to be updated and sent to Sally to update Area/Meeting Locators. Our district presented at area workshop on January 16. Gene's presentation was well received. Round robins still cancelled temporarily. District Zoom list created (see separate email).

**Treatment:** Patti Greg C gave me the name of a contact person for Compassion House. Reached out to him but did not connect yet, probably because of the holidays. I will try again. I will also email Greg Coop and make sure that his group is indeed covering that meeting by bringing a group is.

Excited to send out the list of Zoom Meetings that Gene Mikkelsen sent out to the treatment facilities in our area.

**Hotline:** Bill D., This last month we received 4 calls. Let us continue to place our pin-ups up as many physical meetings are going again. Please see if the meeting list is current for your groups.

**Corrections:** Jessa received an update from Becker County Jail on December 1st that the jail was considering Zoom programs but they have moved to a full pandemic mode and are unable to consider it at this time. Also, the program director from Becker County has retired and I will be contacting to introduce myself to the new Program Director. Ottertail County Jail is still offering one on one meetings. I emailed the program director at the JDC in Clay County and received an automated response that I cannot contact that person anymore so I will have to call and find out if they got a new Program Director. I will be printing out Correspondence Forms and sending them out to the jails in the district in hopes that inmates will take advantage of being able to be in contact with an AA member. Will try to get forms out to sign up for pen pals

**Literature:** James, No report.

**CPC/PI:** Pete Contacting businesses via email with no response to date.

**Webmaster:** Roger continuing to work with programmers to improve website. It is up and working. Discussing improvements including sorting and forms.

**GSR Reports:** None....
